

# The 7 respeggt rules

Requirements for rearing farms

1

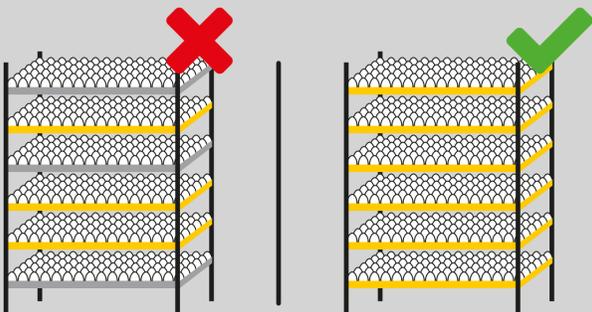

**No male chicks may be killed.** The male chicks of respeggt flocks must be reared until they are at least **ten weeks** old and may only be slaughtered once they have reached this age and a minimum weight of **1.3 kg**.

2

All employees must know and follow the respeggt rules for the rearing of respeggt chicks.

3

The respeggt chicks must **never** be mixed with conventional chicks.

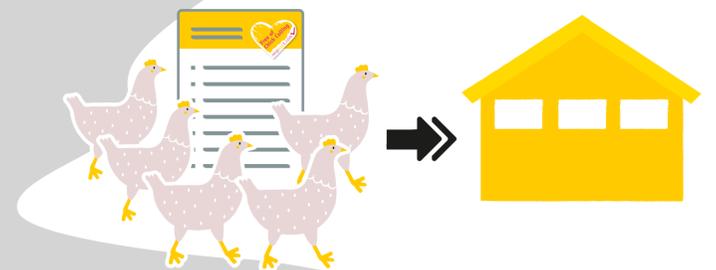

4

The **respeggt flock passport** must be visibly displayed on the **entrance door of the rearing barn** of the respeggt chicks.

5

The respeggt flock passport must be delivered **together with** the respeggt pullets to the downstream laying hen farms.

6

All relevant documentation, such as delivery notes, transport documents and invoices, must always be marked with the reference **respeggt FoCC** (Free of Chick Culling) or with the respeggt document stamp.

7

Employees of **respeggt group** may visit the rearing farm at any time.
